

# Turnout big for youth city bowling tourney

Local youth took to the lanes for their local city tournament on February 15-16. Youth were able to compete in team, doubles, and singles. The youth city tournament was broke into age brackets and also into divisions within the age bracket. Ten and under bowled two games for each event, while the over 10 group bowled three games per event.

This year's local tournament drew 14 teams, 31 doubles, and 61 singles. In all, this amounted to approximately 65 local youth participating. Through tournament director Bill Keller's effort this was a substantial increase for the number of entries from last year. Keller was sure to stress the importance of participating in the local tournament.

"Participation in local tournaments gives the kids points for scholarships" said Keller. This can be seen by the participants when they get into High School and could possibly be applying for local, state, and national scholarships, which can be a substantial amount (for more information on available scholarships see article: Let Bowling Help Pay for College). Each tournament that the youth participates in gives them points on their scholarship application; for example, participating in team, doubles, and singles a youth earns three points.

Competition was fierce, but most important the kids had fun knocking pins down. Tournament highlights are:

## High Series:

	<b>Boys</b>	<b>Girls</b>
<b>Division 1</b>	Cory Farstveet – 674	Sadie McLaughlin – 510
<b>Division 2</b>	Blake Aries – 476	Myranda Hoffman – 496
