C. C. McCURDY

Clarence C. (Cannonball) McCurdy is one of the oldest and most experienced bowlers in Montana. C. C. McCurdy was one of the founders of the original Garden City league in 1916, this circuit being the strongest in the city through the years. He has bowled in 23 Montana state tournaments, and is known all over the state as a fine sportsman.

McCurdy was president of the Garden City league for five years, and president of the Missoula Bowling association. He is still very active in bowling and helpful in cooperation with state tournament and general bowling competition. McCurdy was a good ball-player in his younger days, and is an ardent out of doors sports lover as well.

FRED C. MILLER

Fred C. Miller started bowling strikes on Missoula alleys in 1908, being the oldest bowler in Missoula still participating in the sport. Mr. Miller was the first president of the Garden City league when it was organized in 1916, and served as president of that strong and enthusiastic circuit for five successive years.

Mr. Miller served as president of the Montana Bowling association in 1926, when it conducted a large and successful tournament at Missoula. He has missed but two of all of the state tournaments sponsored by the organization.

Fred Miller won the singles championship of the Montana Bowling association with a score of 640 in the 1917 tournament at Lewistown. He enjoys all sports.
