Is Sanctioned and Conducted in Accordance with the Rules of the
American Bowling Congress

STATE DOUBLES CHAMPIONS

WALTER TUSS

A. TUSS SR.

Whenever there is a member of the illustrious Tuss family around, you can bet your bowling ball that a state tournament will have "oomph."

As Montana's "bowlingest" family, the Tusses have done themselves proud in the popular indoor sport's limelight. August Tuss and his two gifted sons, Walter and Ad, Jr., will vie in the 1947 Montana Bowling classic in Great Falls and will strive to continue their enviable record.

The terrific Tuss history in bowling begins 30 years ago when "the old man" teamed with the late Phil Latimer of Anaconda to win the state doubles laurels in 1917.

Walter, 29, has proven himself as one of the state's outstanding keg-lers, and the personable athlete has the record to prove it. He has won the all-events championship in Montana tourneys of 1937, 1938 and 1946. His mark in last year's Missoula classic was 1880 pins for first place.

Also at Missoula last year, Walt teamed with his father to capture the doubles title, blasting 1369 pins for a new Montana open event record. Walter has won the doubles title with his dad in 1938 and 1940, the latter triumph being registered at Havre.

Walter and Gus currently own the Northwest Invitational Bowling tourney's doubles record of 1332 pins at Spokane, set in 1939.

The three Tusses hit a fast clip last year, winning singles crowns in six separate Montana bowling tourneys.

Ad, Jr., 27, supple-hipped striker who possesses the power, curve and coordination, won glory in a 4-game singles tourney at Chicago just before the war. He banged a perfect 300 score in his final game.

Great Falls has a great triumvirate in the Tusses who have classified themselves with the top bowling company of Montana.

ALL LEFT HANDED TEAM

When first organized 8 years ago, this team was looked on as a "novelty team" being the only left handed team in the state of Montana and near vicinity states. The team clicked so well together (winning 2nd place at Havre, Montana in the booster team event) that they decided to continue the team in later years as strictly a left handed team, and as the team's bowling improved they moved into the open class in the Billings Bowling Association, and attended state tournaments in the following years at Great Falls, Butte, Anaconda and Missoula in succession. They won the Billings City Bowling Association tournament open team title twice during the past 5 years, and finished the 1946 season with a team average of 900.

Owen Roberts has bowled with the team off and on, (because he was in the military service) for several years. He does not appear in the picture.

They are, left to right, (top row) George Krug, George Lonne, Alex Commack; (bottom row) Ralph Bassett, Ted Sletten, Harold Schaffer.

ETIQUETTE FOR BOWLERS

1. Each bowler has as his obligation the maintenance of the approaches in as nearly perfect condition as possible. Bowling shoes, although not absolute essentials, are important to the extent that they should not be substituted for with shoes which are likely to leave marks on the runways. Burnt matches, ashes and other refuse should be deposited in suitable receptacles. In no instance should anything of either solid or fluid nature be permitted on the approaches. Good approach conditions can best be maintained by a healthful respect by each bowler for the rights of other bowlers.

2. When bowling one should use either his own ball or one selected from the rack. In no instance should one attempt to use a ball which is being used by another bowler. If one must bowl with a ball which is in use he should wait until the one bowling it quits bowling thereby releasing it for use by others.

3. In both practice and match bowling the bowler on your right should be given the opportunity to bowl first. To grant this opportunity, one should stand far back in a relaxed position.

4. One should strive to win by good bowling on his part rather than poor bowling on the part of the opponent. An expression of this type is the only one which connotates true sportsmanship.
