Called the "Montana Cowboys" by Los Angeles papers, they put Montana in the bowling spotlight last year by finishing 13th in the ABC Tournament, and becoming the first team from the Rocky Mountain region to finish in the first twenty-five teams of the Nation. It is unfortunate that the team has split up this year.

Welcome, Bowlers

THE 1946-47 OPEN SINGLES CHAMPION

JOHN MEHL of Billings

A finer guy couldn't have won. After just missing a perfect game with 277, John went on to win with 682.

Thanks . . .

May we take this means to show our appreciation to the people who have helped to make this tournament a success. Our thanks go to all who have advertised in our program, to all the sponsors of teams and to all the bowlers who have turned out to swell the entries and compete for the prizes.

To John Downey, Logan Morgan, Ernest Dazzie, Matt Martinich and Bob Kearney, for the splendid help in putting the program over.

To "Marty" Kromwell, who furnished us with the best of everything—alleys, pins, pin boys and courtesy.

To Mike Mansfield and Jim Murray for the efforts put forth in support of the bowlers, when things looked the darkest.

To the gals in the checkroom who did a swell job.

Last, but not least, Pete, Jim and Lefty who served the bracers when they were most needed.

If we missed anyone, and we know we have, thanks again and again.

The OFFICERS of
MONTANA BOWLING ASSOCIATION.

WEST ALLIS WIZARD

Ned Day, Mister Bowling himself, holds one of the most enviable records in the game. Five-time individual match game champion, 1942 and 1943 Bowler of the Year, twenty-seven perfect games to his credit, Ned is regarded by many experts as the best match game bowler of them all.
