

kessler remembers

WHEN

- THE TOURNEY WAS HELD IN ANACONDA 35 YEARS AGO
- VANCE CEBUHAR TOPPLED 1,950 PINS IN 1921
- FATHER-SON TUSS COPPED THE DOUBLES WITH 1,369
- BUTTE'S MUDRO GRILL BOWLED 2,967 BACK IN 1931
- DOSEN OF BUTTE KNOCKED OVER 722 PINS IN SINGLES

In fact, Kessler beer has been a part of every bowling touranment, including those held in Great Falls and Lewistown away back in 1915 and 1916. By the way, no records were kept during those first two tourneys.

And there are mighty good reasons why Kessler has been a part of this favorite sport . . . they have a lot in common. Both are relaxing . . . both are refreshing . . . both mean companionship, good fellowship. May Kessler's suggest that after you have bowled and are ready to relax, you enjoy the truly dry, really light yet full-bodied flavor of the beer preferred by Montanans for more than 86 years . . . Kessler beer. We think you will appreciate its satisfying "brewery-fresh" flavor, its natural sparkle, its creamy head.

EX-SINGLES CHAMP FROM HELENA SMILES ABOUT THE OLD DAYS

Earl Tucker (center) reminisces with Alley Operators Stan Olsen and Larry Johnson of the days gone by when he used to rule the lanes. Earl set pins in Anaconda back in 1901 for his brother, Frank, who owned a bowling alley there. Manager of the Marquette Alleys at Butte in 1914-1915, Earl has been associated with his own and other alleys for many years. Along with Ernest Dazzie of Butte, he promoted inter-city tournaments such as the 8-game classics and ragtime doubles, and started the Western Montana tournament alternating cities. Earl was the 1940 Montana state open singles champion, when he rolled a score of 675.

Built in the early 1930's by Algeria Shriners, this tall spire has become one of Helena's landmarks. The City of Helena purchased and remodeled the building in 1939 to house the various city offices. An immense dance floor and auditorium are the scenes of many Helena social and theatrical activities.

ETIQUETTE FOR BOWLERS

1. Each bowler has as his obligation the maintenance of the approaches in as nearly perfect condition as possible. Bowling shoes, although not absolute essentials, are important to the extent that they should not be substituted for with shoes which are likely to leave marks on the runway. Burnt matches, ashes and other refuse should be deposited in suitable receptacles. In no instance should anything of either solid or fluid nature be permitted on the approaches. Good approach conditions can best be maintained by a healthful respect by each bowler for the rights of other bowlers.

2. When bowling one should use either his own ball or one selected from the rack. In no instance should one attempt to use a ball which is being used by another bowler. If one must bowl with a ball which is in use he should wait until the one bowling quits bowling, thereby releasing it for use by others.

3. In both practice and match bowling the bowler on your right should be given the opportunity to bowl first. To grant this opportunity, one should stand far back in a relaxed position.

4. One should strive to win by good bowling on his part rather than poor bowling on the part of the opponent. An expression of this type is the only one which connotes true sportsmanship.

SINCE 1910

Harry Hennessey, who was president of the state association in 1932, began his bowling 42 years ago. He headed the group which built the Central Alleys in 1933—the state tournament being held the same year. In 1912-13, he recalls when he ran the Central Park Alleys and bowling cost 10 cents a line with a beer check thrown in!

BOZEMAN WELCOMES YOU

IN 1953

BOZEMAN BOWLING ASSOCIATION

The ultra-modern Helena high school has an interesting history. Completed at a cost of \$500,000 in 1935, it had been occupied only six weeks when the devastating earthquakes struck, demolishing one wing and damaging the entire building. For two years, during reconstruction, students attended classes in 18 railroad coaches. Another expenditure of \$400,000 resulted in the cream stucco structure shown above. The building is designed to provide facilities for 1,000 students.

THE OLDEST . . . AND THE YOUNGEST

Left to Right: Dr. Bert C. Lee, E. O. Marx, E. H. Haserodt, John J. Howe, Bert Ellis, Jim Oliva

Stanley Hughes of the Hamilton Bowl enclosed these pictures of two teams from his city who will appear in the state bowling tournament. To our knowledge they are the oldest and youngest organized bowling teams in the state. The 55rs were organized when the Hamilton Bowl opened—none of the old boys having bowled before. They are now finishing their fifth season. The youngest in the group is 62 and the oldest 73. The Hamilton Bowl Jrs. no doubt will be the youngest team bowling in the tournament. This is their first year of league bowling. Three are grade school boys and three are high school students, all of whom are pinsetters at The Bowl.

Pictured above are three Helena bowlers who have a combined total of 125 years of bowling. At left is Ralph Conrad, who started in 1908, as did Mart Cummins (center). Lindner Walker at right started 37 years ago, and has used the same ball for the last 27 years. All these men have carried high averages for years, placing in many of the tournaments of the past. Walker has a high game of 279 and series of 728. Cummins has rolled over 700 three times, with a high single of 289, shot twice. Conrad lays claim to a high series of 689 in his years of bowling. All still are active keglers in Helena league play.

FRIENDSHIP

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test—
Time and change—are surely best.
Brow may wrinkle, hair grow gray,
Friendship never knows decay.

A curve is a straight line after too
many cocktails.—Wall Street Journal.

The PINBOY

Few realize his importance in a game. Much thought is given to the bowler, the managers, the organization of a tournament—but the pinboy, with his nimble fingers, untiring back and alert cognizance of the game, often spells the difference between a good score and a mediocre one.

So Here's to the Pinboy—

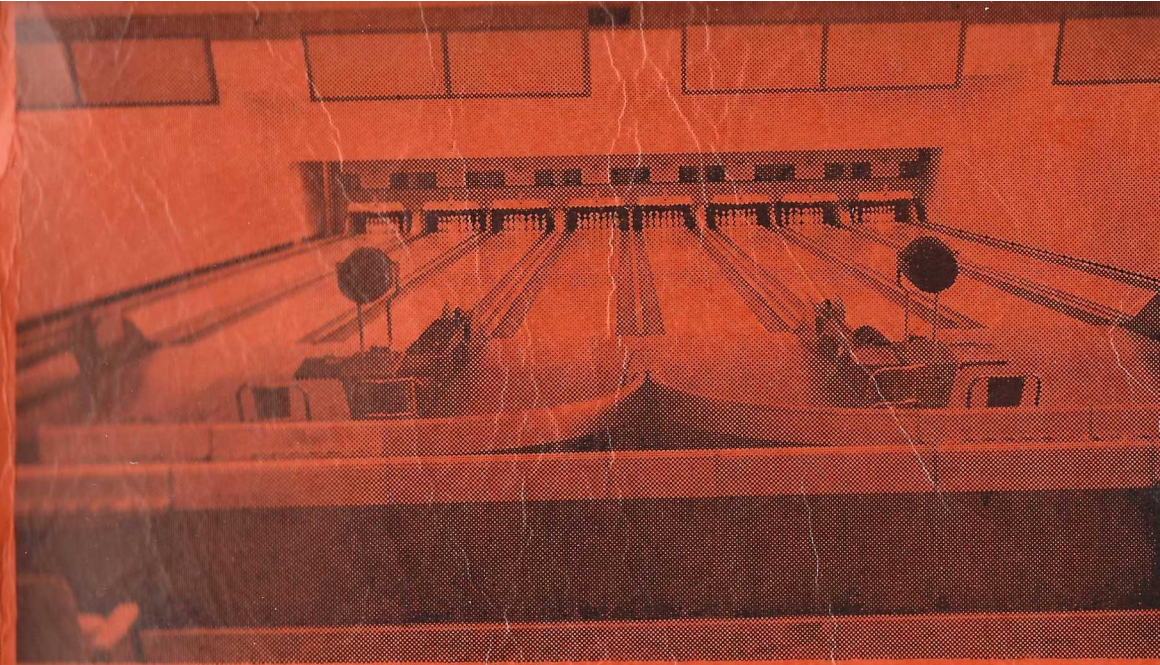

WE CAN'T SEE YOU,

BUT WE NEED YOU

HERE'S ONE TO SHOOT AT!

(From the ABC News Letter of January 15). St. Louis, Mo.—The Gilbert Buick team of the All-Star league here took over the top scoring position in the nation here on January 3. NEW RECORD ESTABLISHED FOR 1952 ABC TOURNAMENT

Milwaukee.—This city continues with a perfect record for breaking the American Bowling Congress tournament entry marks. Milwaukee will play host to the ABC tournament for the third time this spring, and for the third time the entry mark will be broken. Three days after the entry deadline, mail had swollen the total to over 7,700, according to Charlie Treuter, tournament director. The former record of 7,348 teams was established in Detroit in 1948.
