GREAT FALLS BOWLING ASSOCIATION

Bowling activity is increasing by leaps and bounds and is close to the top of the list of world sports. Where the working man and the banker are on an equal basis. It creates good fellowship. Whether young or old, weak or strong, small or large, everyone can bowl.

Your only opposition is the bowling pins sixty feet away. In League or Tournament play it's the spares and strikes and the least blows and splits that win the game.

Let's all help to keep the game more enjoyable. Don't blame your team mates when they miss, they don't do it intentionally. Don't complain too much when you get a split or have a good hit and all the pins don't fall down. You are entitled to blow off some steam, but try to be reasonable. We all get bad breaks. (Hope you don't get too many in the State Tournament.) Try to make the game more popular by a friendly attitude.

We thank you for your consideration of Great Falls for the 1957 tournament site.

BOWL A 300 GAME?

Well, if you did, have you called the wife to let her know?

And even if you didn't — maybe the wife and your hometown sponsor would like to know how you're doing in the tourney.

In fact, a lot of hometown folks are probably interested in how you're doing.

Why Not Call Home and Let 'em Know?

A call home doesn't cost much, and it pays off in a lot of ways — information to the folks, publicity for your sponsor, or just plain good will.

Don't Forget to Call Home and Let Them
Know How You're Doing.
