

28TH ANNUAL WOMEN'S STATE BOWLING TOURNAMENT

Butte

DL999

COURTESY OF PACIFIC BOWLING AND BILLIARD CO., SEATTLE, WASH.

Know Montana . . .

Colorful Names for Mining Claims

Three years after Butte was chartered as a city in 1879 there were 338 mining claims registered on an index map of the Summit Valley Mining District (Butte).

Names given to some of the claims by their owners provided the Butte district with much of its color in mining circles of the nation at that time. Some were named after wives or sweethearts of the owners, others after their old home towns or, in anticipation of their hopes of gaining wealth from their mining operations, others in honor of admired heroes of this country or other native lands.

Among some of the more colorful names given such claims were:

The Wild Pat, Little Darling, Orphan Girl, Orphan Boy, Snoozer, Self-Rising, Yellow Jack, Tecumseh, Missing Link, Free-For-All, Fourth and Fifth of July, Belle of Butte, Rob Roy, Virginius, Rising Star, Morning Star, Midnight, Pawn Broker, Welcome Stranger, Minnie Jean, Olive Branch, Jesuit Lode, Kit Carson, Chief Joseph, Gambler, Grant, Scottish Chief, Wake Up Jim, Look Out, Robert Emmett, Black Bear and Rock Island.

THE ANACONDA COMPANY

Hi Bowler . . .

We, the Officers of your 28th Annual State Tournament, welcome you to Butte, Copper City of Montana. We hope your visit here will be long remembered and that your bowling surpasses all your expectations.

We would like to express our thanks to you for helping make our tournament a success. Without you, the bowler, and your cooperation we wouldn't be having this tournament. We also want to thank the many businesses who have advertised in this book, thereby making it possible to bring this new program to you.

The annual State Meeting and Luncheon for the delegates and visitors will be held on Sunday, May 4, starting at 10 A. M. in the Silver Bow Ballroom at the Finlen Hotel. Luncheon will be served at 1 P. M.

We are looking forward to seeing all our bowling friends and especially want to meet all the new girls coming to their first State Tournament. If we can be of any help to you, please feel free to call on us.

Sincerely,

A Doctor in Tennessee was called to examine the young wife of an elderly deaf mountaineer.

"Your wife is pregnant," he told her husband,

The mountaineer, hand behind his ear, queried, "Eh?"

The doctor shouted, "I said your wife is pregnant."

"Eh?"

Finally the doctor screamed, "Your wife is going to have a baby."

The mountaineer drawled, "I ain't a bit surprised, she's had every opportunity."

20 POINTS OF GOOD BOWLING

1. Dash into the alleys two minutes before starting time when it's an important match. This soothes your teammate's nerves.
2. Test the sliding qualities of each runway three or four times before each pitch. This always proves you are an expert.
3. Wait until your opponent is ready to roll before going after your ball. He will surely want to kiss you if you do this often enough.
4. If the pitch isn't coming up fast enough, dash across the next three alleys, using either a body check or rolling block upon anyone in your path. This is a sure dividend payer in time.
5. When the ball is headed for the pocket, start backing away from the foul lines, slowly at first, gradually increasing speed until at the moment of impact you land in somebody's lap.
6. After delivering the ball, stand at the foul line. Whirl sharply just as your opponent arrives at the mark, or better still, edge over slightly onto his runway. Do this enough and you have no need to worry about an old-age pension.
7. Pick up all cigarettes you happen to see parked on the score board. This cuts down the expense of the game considerably.
8. Carefully examine your thumb after every wild heave. If you miss the spare, glare at the pin boy and tell him to keep his greasy fingers out of the holes.
9. At every opportunity, explain in great detail about the time you struck out and won by one pin. If your audiences seem unappreciative, tell them about the split you picked off last week. Nobody but you has ever had those experiences.
10. Before throwing the ball, have your Captain call the attention of new bowlers to your perfect stance.
11. If you make a strike, look around and smile.
12. If you make two strikes, calmly walk over and chalk them up, being careful not to smile this time.
13. If you make three strikes, nonchalantly light a cigarette. If you don't smoke, light one anyhow, and talk about living right.
14. If you throw your ball in the gutter, grab your leg quickly and limp to the bench, muttering something about your slippery shoes or the bad breaks.
15. If you have a low score, tell your Captain, confidentially, that you did it for the sole purpose of getting a bigger handicap. If you haven't your bowling shoes, or if you haven't your own ball, remember, these are good excuses for low scores.
16. If a bowler on the opposite team makes a bum shot, laugh as loud as possible and thus attract everyone's attention to it.
17. If your opponent makes a strike, always sneer and talk about horseshoes and four leaf clovers.
18. Never give the other team any credit. Always talk about how funny they throw the ball, and if they go over the foul line, ask them if they are going to pay the pin boy a social visit.
19. When marking score, look around, and if no one is watching you, chalk up a few more than you made.
20. If you miss an easy spare, laugh and say you tried something new.
