

IN BOWLING

Anyone can cut down a few pins,
but to get strikes it takes that
control that comes of long
practice or experience.

IN BUSINESS

Anyone can cut prices but it takes
intelligence and skill to
produce a better product.

 LOOK FOR THE
RED CROWN
 FOR
**LIVELY ACTION!
 BETTER BOWLING!**

The Red Crown identifies the best pins money can buy. It means lively action and better bowling. Look for the famous Brunswick Red Crown whenever you bowl!

Operators!
RED CROWN MEANS... Top Performance TOO!

Brunswick Pins are made "stress-free" through a special Brunswick process. The result is less checking, less chipping, less breakage. You'll get top performance with Red Crowns!
