

THE BRUNSWICK LT-48

The Winningest Rubber Ball
On The Tour.

If you play to win, you want the LT-48.
Already it's made quite a name for itself,
both on the pro tour and off.

Pro bowler Johnny Petraglia, winner of
bowling's coveted triple crown, wins with
LT-48 for upping averages considerably.

When it comes to piling up the pins, no
ball does it better than Brunswick's LT-48.

**PRESIDENT'S
MESSAGE**

**Welcome
Bowlers**

On behalf of the Montana State Bowling Association welcome to the 65th Annual State Tournament in Butte.

We have lots of good things going for us this year: 1. First of all, our state tournament entry in 1981 was greater than the women's entry for the first time in many years. 2. We have honored over 65 bowlers in our state bowling Hall of Fame thus far and more to come each year. 3. Something new this year — ABC will be holding a National Senior's Tournament (age 55 and over) at the ABC tournament site every year. Each state may send the winner of each division (by age) to the Nationals and the State Association will share in the sponsorship and expenses. The winners' will be determined by a special tournament. We are looking forward to having our Senior Bowlers compete. 4. We are currently sharing in the sponsorship of our State Scratch All Events in the Masters.

These activities are the result of the positive action of your State Association officers. So, when you see them say thanks; this is all the pay they will receive for their efforts.

We wish all of you lots of luck and good bowling.

Bill Koski — President
Montana State Bowling Association

Montana State Bowling Association

The officers of the Montana State Bowling Association extend their best wishes to all bowlers in the 65th Annual Montana State Bowling Tournament in Bozeman. It is only by the cooperation of all bowling associations within the state in sending delegates to our meetings that we can operate for you in a manner befitting to the great game of bowling.

HIGH ROLLERS ARE PROVING THERE'S NOTHING ELSE LIKE AN ANGLE

Since the Angle ball was introduced on the Pro Tour last spring more finalists have rolled it in more top U.S. tournaments than any other ball. And each week more and more pros and top bowlers are switching to it. That's because the Angle is more consistent on a wider variety of lane surfaces than any other ball. You can have that kind of performance at your fingertips too. Just get and AMF Angle.

To be a winner
you've got to have an angle!

History of the Montana State Tournament

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Allwys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's 72-year-old State Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, The Montana State Bowling Association decided that future tournaments would have three divisions; Open (A), 825 (B) and 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed — that the State Association would request that the host alleys use 3 lb.-4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions — one open and two booster — in each event. No tournament was held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 $\frac{2}{3}$ % of the difference between average and 169 for singles, 338 for doubles, and 845 for team.

Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, a third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 — all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 averages, the C division for 151 to 165 averages.

(Note: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files of Herb Carlson and Melvin Ulstad. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Bill Olson, State Secretary, 1122 Hauser, Helena, Montana 59601. Copies of programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Association's records of past tournaments.)

BUTTE BOWLING ASSOCIATION

It is indeed an honor and a privilege for the officers and members of the Butte Bowling Association to be your hosts for the 65th Montana State Bowling Championships.

We extend a sincere THANK YOU to every bowler who entered the tournament this year, and we wish you the very best of luck and good bowling during the tournament and throughout the years to come. Montana bowlers cannot only be considered the most competitive, but also the friendliest, in the nation.

The Butte Association, your two hosting bowling centers, and the City of Butte have worked hard to make the 65th Championships one of the best State Tournaments ever. We hope that your stay in Butte is both an enjoyable and a memorable event in your life. Without your enthusiasm and desire to be a part of this great annual event, the 65th Championships could never be a success.

Our sincere thanks to the officers of the State Association, members of the Butte Women's Bowling Association, and members of Butte Junior Bowling Association for their help and support.

**THERE'S NOTHING
NEW ABOUT
SOLAR ENERGY**

You've been using it all your life . . . When the sun melts the snow that turns into water to flow through the turbines of our hydroelectric generating dams. Montana Power is experimenting with other ways to use solar energy. We're participating in a wind power project and we're looking at all types of alternative energy, like wind power. So we'll be ready to provide the energy of the future.
