## President's Message

---

### WELCOME BOWLERS:

On behalf of the Officers and Directors of The Montana State Bowling Association, we would like to welcome you to the 68th Annual Montana State Bowling Tournament being hosted by The Missoula Bowling Association and the City of Missoula. I know that your stay in Missoula will be an enjoyable one and wish you good bowling and lots of fun.

A special thanks to all who participated in last year's State Tournament in Billings where another attendance record was established. The Officers and Directors of The Billings Bowling Association wish to thank you for coming to Billings and making their tournament the largest ever.

Our tournament continues to grow each year and we hope that this year's tournament in Missoula will be even bigger than last year's.

Congratulations to all of last year's winners and we hope that you will return to defend your championship. Without the support of the Bowlers, this tournament would not be the success that it is and we would like your input (whether good or bad) if you feel this tournament could be improved.

Our State Jamboree has been growing in numbers over the past few years and we hope this trend will continue. Our next Jamboree will be held in either Helena or Kalispell during the month of September. We hope that you will always support this event.

Everything the State Association does is for the good of the bowlers and we hope that in years to come you will continue to support the efforts of the State Association.

Plan now to attend the State Jamboree in Helena or Kalispell and the State Tournament in Bozeman next year.

Again, good luck and good bowling.

Vince M. Hummel, President  
Montana State Bowling Association

## History of the Montana State Tournament

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's 72-year-old State Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, The Montana State Bowling Association decided that future tournaments would have three divisions; Open (A), 825 (B) and 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed — that the State Association would request that the host alleys use 3 lb.-4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions — one open and two boosters — in each event. No tournament was held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team.

Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, a third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 — all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 averages, the C division for 151 to 165 averages.

*(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files of Herb Carlson and Melvin Ulstad. If any bowlers reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Bill Olson, State Secretary, 1122 Hauser, Helena, Montana 59601. Copies of programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Association's records of past tournaments.)*

## YOUR BEST BUY IN SPORTS

Yes, your ABC membership is the best buy in sports! \$2 of each member's annual dues goes to the National Headquarters. The following list includes just *some of the services* provided through membership in the world's largest sports membership organization.

- ABC provides all of the necessary league supplies to operate successfully... schedules, standings sheets, rule books, educational materials, etc.
- ABC provides bowling with standardized rules for both leagues and tournaments. Constant updating of these rules takes place at the annual ABC Convention made up of delegates from Local Associations.
- ABC provides nearly one million awards annually including those league championship chevrons which your champions will proudly display next season.
- ABC provides a bonding program to protect your league funds from misuse or theft. It's nice to know your league funds will be there when payoff time comes around.
- ABC provides research and testing to keep up with today's technology. An elaborate testing facility houses studies on pins, lane finishes and conditioners and various equipment which affect our game.
- ABC provides rules interpretation and consultation for a wide variety of situations.
- ABC provides a 10 man Field Services staff which travels around the country working with association officials to improve services at the local level.
- ABC provides financial support to the National Bowling Council which distributes information and statistics to help strengthen the sport and help it grow.
- ABC provides a free film library with instructional and educational materials as well as entertainment films for your use at league meetings or end of the season banquet.
- ABC provides a monthly magazine to every ABC sanctioned winter league. ABC's communications department helps to make bowlers the most informed sports group in the world.
- ABC provides staff and/or funds to support senior citizens, collegiate and youth tenpin programs.
- ABC provides participants for international tenpin competition and is working towards admitting bowling to the Olympic Games.
