President's Message

On behalf of the Officers and Directors of the Montana State Bowling Association, we welcome you to the 69th Annual Montana State Bowling Tournament. Through your continued support and participation your tournament continues to grow and improve, and we expect this year's tournament to be the largest ever.

The Bozeman Bowling Association and the City of Bozeman, our hosts, have worked hard to put on a good tournament for us. We hope you bowl well, have lots of fun, and enjoy your visit to Bozeman.

Congratulations to last year's winners in Missoula, and thanks to all bowlers who participated. We need your support for continued growth and success of your tournament.

Plan now to attend the State Jamboree in Great Falls in September, and the State Tournament in Helena next year. Montana State Bowling Association meetings are held in conjunction with these events. Your attendance and input will help insure a strong State Association to better serve Montana bowlers.

GOOD LUCK and GOOD BOWLING.

Ed Strommen, President
Montana State Bowling Association

Montana State Bowling Association

The officers of the Montana State Bowling Association extend their best wishes to all bowlers in the 69th Annual Montana State Bowling Tournament in Bozeman. It is only by the cooperation of all bowling associations within the state in sending delegates to our meetings that we can operate for you in a manner befitting to the great game of bowling.

History of the Montana State Tournament . . .

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's 79 year-old State Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A), 825 (B) and 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed — that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions — one open and two boosters — in each event. No tournament was held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66% of the difference between average and 169 for singles, 338 for doubles, and 845 for team.

Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 — all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files of Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.) In 1985, Ed Strommen, Anaconda, made a thorough up-date of previous programs and made over 100 additions and/or corrections which are reflected in this program.

Beauty is more than skin deep.

New, medium hard polyester cover in eight pearlized colors.

New, power-intensive, concentrated weight block.

New polyester, one-piece core for easier drilling.

From cover to core. From swing to strike. Laser's beauty is through and through.

At first glance, you see eight pearlized, polyester covers that define performance.

Then you try one. That's when you notice a polyester core for easier drilling and an easier fit.

Finally, you roll it. And then you find out what real beauty is. A solid core and concentrated weight

block for superior balance, driving power, a truer, more consistent roll.

But you'll never really know why we call it the Laser until you roll one yourself. Find out why the Laser means action. Electrifying action.
