BUTTE BOWLING ASSOCIATION

The members and officers of the Butte Bowling Association extend a warm welcome to all bowlers who have entered the 71st Montana State Bowling Championships. We appreciate your support and thank you for your participation.

Enjoy your stay in Butte, bowl well, and most importantly have fun. We have worked hard to make this State Tournament the best ever and hopefully to establish a state record for the largest number of teams entered.

Special thanks must be extended to the members of the Butte Bowling Association, Butte YABA members, members of Butte's Women's Bowling Association, and the two fine bowling centers for their help in promoting and running this tournament. However, it is only with continued support and participation by the bowlers of Montana that this tournament will continue to grow and be the highlight of each bowling season. We thank you—the bowler!

OFFICERS

President	Bill Meagor
1st Vice President	Bud Atchison
2nd Vice President	Harry Shaffer
3rd Vice President	Hank Rider
4th Vice President	Dwight Phillips

MONTANA STATE BOWLING ASSOCIATION

The officers of the Montana State Bowling Association extend their best wishes to all bowlers in the 71st Annual Montana State Bowling Tournament in Butte. We wish Bill Meagor and his staff the very best in conducting this year's tournament. We know it will be an outstanding tournament. The State Tournament has been increasing during the last few years and we thank all Bowling Associations within the state for your cooperation. Please be sure to send your delegates to our Spring and Fall Meetings, so we can operate for you in a manner benefitting to the great game of bowling.

STATE MEETINGS

The Spring Meeting is to be held March 27, 1988 in Butte. This meeting is open to all who wish to attend.

The Fall Meeting is held the third Sunday in September. Since 1977 it has been at the same time and in the same city as the State Bowling Jamboree. The 1988 Jamboree will be in Billings.

Unleash your game.

Roll a Rhino.

Professional and high performance bowlers now have a new and tested way to defy the law. The law of physics.

Introducing the new Rhino from Brunswick. Turn it loose and watch it crash through the pocket without deflection.

And that's just for starters. There's more.

The Brunswick Rhino comes in three breeds (and colors) to match your style and lane conditions, to really bring out the animal in your game.

BLACK: goes long and hooks late; superb for light to medium oily lane conditions. **GREY:** a mid-range hook; perfect for medium to oily lane

conditions. **WINE:** hooks early; excellent for oily lane conditions.

So, consider rolling all three Rhinos of your own.

All Brunswick Rhinos have different formulations — proven and accepted by touring professionals — for the one purpose of creating an endangered species: the number five pin.

 Bowling Association
 Wishes Butte success
 in hosting the
 1988 State Tournament.

We hope to see you in Great Falls
 for the 1989 Tournament.
 It's Montana's Centennial Year
 and we expect a record turnout.

History of the Montana State Tournament . . .

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's 79 year-old State Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A), 825 (B) and 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed — that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions — one open and two boosters — in each event. No tournament was held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 $\frac{2}{3}$ % of the difference between average and 169 for singles, 338 for doubles, and 845 for team.

Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 — all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files of Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.) In 1985, Ed Strommen, Anaconda, made a thorough up-date of previous programs and made over 100 additions and/or corrections which are reflected in this program.

MARK HODGES

The Angle Strikes Again.

The AMF Angle—no ball in bowling has a history of winning to match it. No wonder hundreds of thousands of bowlers have already switched to the Angle to get better scores. Don't be left in the past. The Urethane Angle 12, 14, 15, 16 lbs—get yours at your bowling pro shop now.
