WELCOME TO GREAT FALLS!

On behalf of the citizens of Great Falls, I am delighted to extend a very warm welcome to each of you. I am most pleased that you selected Great Falls as the site for your 1989 State Bowling Tournament, and hope that you will find our city accommodating in every way.

Great Falls is known throughout the state as a friendly and courteous city. That is the quality I hope to perpetuate, so do not hesitate to call on me if I can make your stay more enjoyable.

Despite your busy tournament schedule, I do hope you will have an opportunity to enjoy the other aspects of Great Falls. Our city offers fine cultural, recreational and entertainment activities plus excellent shopping in our downtown and several outlying malls.

It is an honor to be the host city for the 1989 State Bowling Association Tournament. May you enjoy your stay and when you return to your homes, may you leave with good thoughts about Great Falls. I invite you to come back to visit us often.

Good luck for a successful tournament.

Sincerely,

Ardi Aiken

A HEARTY WELCOME

Welcome to all bowlers to the 72nd Montana State Bowling Championships. Your officers and board of directors want to take this opportunity to thank everyone for participation and support. We also would like to thank Great Falls and the Great Falls Bowling Association for hosting this tournament. By supporting the State Association and its endeavors, we can all enjoy bigger and better State Championships.

I am personally looking forward to seeing many of you at the jamboree this September in Kalispell.

Unleash your game.

Roll a Rhino.

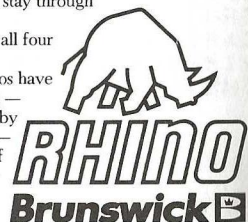

Professional and high performance bowlers now have a new and tested way to defy the law. The law of physics. The Rhino from Brunswick. Turn it loose and watch it crash through the pocket without deflection.

And that's just for starters. There's more. The Brunswick Rhino comes in four breeds (and colors) to match your style and lane conditions, to really bring out the animal in your game. BLACK: goes long and hooks late; superb for light to medium oily lane conditions. GREY: a mid-range hook; perfect for medium to oily lane conditions. WINE: hooks early; excellent for oily

lane conditions: BLUE: features a resilient core to go longer, hook late, and stay through the back end.

So, consider rolling all four Rhinos of your own.

All Brunswick Rhinos have different formulations — proven and accepted by touring professionals — for the one purpose of creating an endangered species: the number five pin.

History of the Montana State Tournament.

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A) 825 (B) 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed - that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two booster - in each event. No tournaments were held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 - all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

In 1988, a Hall of Fame Banquet was organized and held in Butte the night before the opening weekend. At this banquet five new members of the Montana Hall of Fame were inducted. The banquet has continued forward to the 1989 tournament.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.) In 1985, Ed Strommen, Anaconda, made a thorough up-date of previous programs and made over 100 additions and/or corrections which are reflected in this program.
