WELCOME BOWLERS

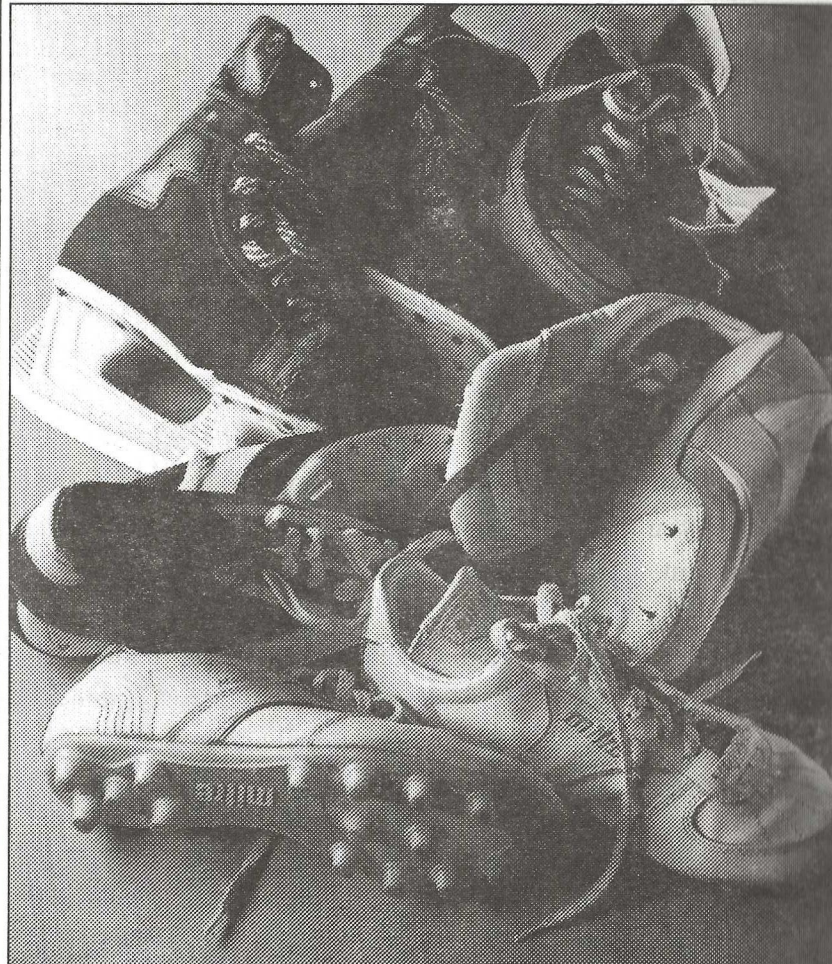

On behalf of the officers and Board of Directors of the Montana State Bowling Association, and myself we welcome you to the 74th Annual Montana State Bowling Tournament being hosted by the City of Missoula and the Missoula Men's Bowling Association. I know your stay in Missoula will be an enjoyable one and wish all of you lots of luck and good bowling.

A special thanks to each of you who participated in last year's tournament in Billings.

Congratulations to last year's winners. Without the support of the bowlers, this tournament would not be the success that it is. We would like your continued support and input to make this tournament the best it can be.

ONCE AGAIN, GOOD LUCK AND GOOD BOWLING

YOUR BEST BUY IN SPORTS

Yes, your ABC membership is the best buy in sports! \$2 of each member's annual dues goes to the National Headquarters. The following list includes just *some of the services* provided through membership in the world's largest sports membership organization.

- ABC provides all of the necessary league supplies to operate successfully...schedules, standings sheets, rule books, educational materials, etc.
- ABC provides bowling with standardized rules for both leagues and tournaments. Constant updating of these rules takes place at the annual ABC Convention made up of delegates from Local Associations.
- ABC provides nearly one million awards annually including those league championship chevrons which your champions will proudly display next season.
- ABC provides a bonding program to protect your league funds from misuse or theft. It's nice to know your league funds will be there when payoff time comes around.
- ABC provides research and testing to keep up with today's technology. An elaborate testing facility houses studies on pins, lane finishes and conditioners and various equipment which affect our game.
- ABC provides rules interpretation and consultation for a wide variety of situations.
- ABC provides a 10 man Field Services staff which travels around the country working with association officials to improve services at the local level.
- ABC provides financial support to the National Bowling Council which distributes information and statistics to help strengthen the sport and help it grow.
- ABC provides a free film library with instructional and educational materials as well as entertainment films for your use at league meetings or end of the season banquet.
- ABC provides a monthly magazine to every ABC sanctioned winter league. ABC's communications department helps to make bowlers the most informed sports group in the world.
- ABC provides staff and/or funds to support senior citizens, collegiate and youth tenpin programs.
- ABC provides participants for international tenpin competition and is working towards admitting bowling to the Olympic Games.

History of the Montana State Tournament.

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped. In 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A) 825 (B) 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed - that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two booster - in each event. No tournaments were held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format has been used since 1975 - all divisions are handicapped based on 80% of 210 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

In 1988, a Hall of Fame Banquet was organized and held in Butte the night before the opening weekend. At this banquet five new members of the Montana Hall of Fame were inducted. The banquet has continued forward to the 1991 tournament.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.) In 1985, Ed Strommen, Anaconda, made a thorough up-date of previous programs and made over 100 additions and/or corrections which are reflected in this program.

JEFF KUNTZ
