Presidents Message

Welcome Bowlers!

On behalf of the Officers and Directors of the Montana State Bowling Association, we would like to welcome you to the 79th Annual Montana State Bowling Tournament being hosted by the City of Missoula and the Missoula Bowling Association. I know your stay in Missoula will be an enjoyable one and wish all of you lots of luck and good bowling.

A special thanks to each of you who participated in last year's tournament in Great Falls, the largest turnout in the tournaments history. We hope the interest in the State Tournament continues and it gets bigger and bigger.

Congratulations to all of last year's winners and we hope that you will return to defend your championship.

Plan now to attend the State Jamboree in Kalispell and the State Tournament in Kalispell next year.

Again good luck and good bowling.

Ted Moulton, President
Montana State Bowling Association

History of the Montana State Tournament

Records of the first State Tournament are scarce. Most programs show that it was in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped in 1937, the Montana State Bowling Association decided that future tournaments would have three divisions: Open (A) 825 (B) 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed - that the State Association would request that the host alleys use 3 lb. - 4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournaments. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two booster - in each event. No tournaments were held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66 2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format have been used since 1975 - all divisions are handicapped based on 80% of 225 scratch. The A division is for 180 and over average bowlers, the B division for 166-179 average, the C division for 151 to 165 averages, and the D division for 150 and under averages.

In 1988, a Hall of Fame Banquet was organized and held in Butte the night before the opening weekend. At this banquet five new members of the Montana Hall of Fame were inducted. The banquet has continued forward to the 1996 tournament.

(NOTE: Most of the above data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.)
