The Officers and Directors of the Montana State Bowling Association extend their best wishes to all bowlers in the 82nd Annual Montana State Bowling Tournament being held in Bozeman. It is only through the cooperation of all the local bowling associations within the State who send delegates to our meetings that we can operate in a manner befitting the great game of bowling. The Spring Meeting is held on Sunday of the first weekend of the State Tournament. This year it is being held on April 11, 1999 at the Holiday Inn. The Fall Meeting is held on Sunday in the same city as the State Bowling Jamboree. This year, the Jamboree is in Great Falls. The meetings are open to all A. B. C. members. Everyone is urged to participate.

With the support of the proprietors and local associations, the MSBA runs one of the finest annual bowling tournaments in the nation. Thank you for showing your support of this great event with your entry.

ROGER DALKIN -- ABC EXECUTIVE DIRECTOR

(Greendale, Wis., March 10, 1998) - A high school dream to become the leader of the world's largest sports membership organization has become reality for Roger Dalkin as the American Bowling Congress' ninth executive director.

His dream was born after watching bowling's greats compete in the ABC Tournament in Miami in 1967.

Dalkin first arrived at Bowling Headquarters in 1977 as head of the Collegiate Division. He left in 1981 to enter the insurance business but returned to ABC in 1985 as ABC group executive-technical. Prior to becoming executive director he served as assistant executive director from 1989-97.

Dalkin got his start in bowling as a talented youth competitor. He represented the United States twice in the prestigious AMF World Cup and won the 1971 title. He captured five national collegiate titles, including back-to-back Association of College Unions-International all events crowns while at Georgia Tech. In 1974 he won a silver medal in the Federation Internationale des Quilleurs American Zone Championships.

On the administrative side, Dalkin has been involved in many facets serving as an ABC association volunteer on local boards and conducting clinics for youth bowlers.

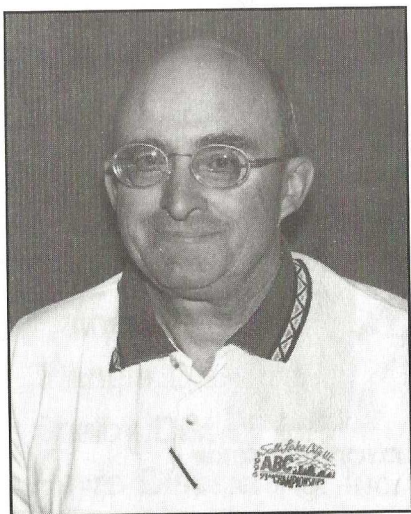

Dalkin has received several awards for his contributions to the sport including the Armed Forces Service Award, National Junior College Athletic Association Recognition Award, Association of College Unions-International Recognition Award and the Gordon Teigen Award given by the National Collegiate Bowling Coaches.

Following graduation from Georgia Tech with a degree in mechanical engineering in 1972, he served as manager of the Illinois State University bowling center in Normal, Ill. he also ran their collegiate program.

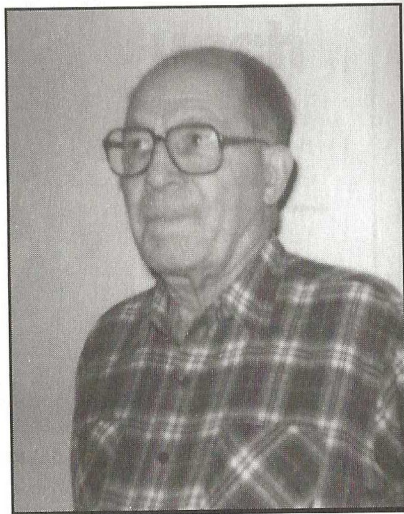

Dalkin is a member of the American Management Association and the American Society of Association Executives.

History of the Montana State Tournament

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, a State Tournament was held in Butte at the Tornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams, with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, Anaconda's Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Springs (where Fairmont Resort is now located) on February 24, 1917. There was no 1918 Tournament because of World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped in 1937. The Montana State Bowling Association decided that future tournaments would have three divisions: Open (A) 825 (B), 750 (C), and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed - that the State Association would request that the host alleys use 3 lb.-4 oz. "Maples" instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster temas, one booster doubles and singles, and two booster all events divisions, plus the open divisions, in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two booster - in each event. No tournaments were held in the years 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those since 1945 have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66-2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to 1974, the top division was again open. In 1973, the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format again was adjusted in 1996. The tournament format went from 80% of 210 to 80% of 225. The A Division is for 185 and over average bowlers, B Division for 171-184 average, C Division for 156-170 averages, and the D Division for 155 and under averages.

In 1988, a Hall of Fame Banquet was organized and held in Butte the night before the opening weekend. At this banquet, five new members of the Montana hall of Fame were inducted. The banquet has continued forward to every tournament ever since started with a great participation.

(History...continued)

In 1985, Ed Strommen, Anaconda, made a thorough update of previous programs and made over 100 additions and/or corrections which are reflected in this program.

(Note: Most of this data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from bowling data from the files Herb Carlson and Melvin Ulstad of Anaconda. If any bowler reviewing this history and the other records contained in this program has any of the missing data, he is asked to please pass such information on through his local association delegate to the State Association, or to mail it to Harvey Pierce, State Secretary, P.O. Box 416, Bozeman, Montana 59715. Copies of Programs, entry forms, prize lists, financial statements and newspaper clippings will all help greatly to rebuild the State Associations records of past tournaments.)
