March 2006

The City of Great Falls is pleased to welcome all the participants and their friends and families to the 2006 Montana State Bowling Association annual championship tournament. We are proud to welcome you and will do what we can to ensure you have a memorable and enjoyable visit.

As you move about our City, you're walking in the footsteps of Lewis and Clark, the Blackfeet Indians, the buffalo and the grizzly bear, all of which are depicted in some way in our museums including our world-class Lewis and Clark Interpretive Center and CM Russell Museum.

I hope you enjoy your stay in our Electric City and plan to visit our many shopping and cultural centers that include Downtown Great Falls, Holiday Village Mall, Market Place, Paris Gibson Square, and High Plains Heritage Center to name a few. I hope, as you continue on to your next destination, you leave with good thoughts and memories of our great City, and return to visit us again soon.

Sincerely,

*Dona R. Stebbins*

## HISTORY OF THE MONTANA STATE TOURNAMENT

Records of the first State Tournament are scarce. Most programs show that it was held in Great Falls in 1915 or 1916, although the 1951 program shows it in Lewistown in 1916. Earlier "State" Tournaments were held, but not of the format we have today. In 1902, the State Tournament was held in Butte at the Thornton and Pfister Alleys, with seven three-man teams participating. Each team rolled a series against each of the other six teams with the winners knocking down 10,012 pins.

The Second State Tournament was held in Anaconda, February 22-24, 1917. Rudy Swanson, an Anaconda Hall of Fame member, has a program entitled "Second Annual Banquet of the Montana State Bowling Association." This banquet was held at Gregson Hot Springs (where Fairmont Resort is now located) on February 24, 1917. There was no tournament in 1918 due to World War I.

Only open events were held until 1927, when a booster team event was added. Booster doubles, singles and all events were added in 1933, and then dropped in 1937. The Montana State Bowling Association decided that future tournaments would have three divisions: Open (A); 825 (B); 750 (C); and that there would again be booster doubles, singles and all events. Also, at this same meeting an interesting resolution was passed that the State Association would request that the host alleys use 3 lb.-4 oz. "Maples instead of the 3 lb. wood that many were using.

In 1938, the Montana State Bowling Association was reorganized in Billings as a permanent organization. No previous tournaments had been ABC sanctioned, so 300 games rolled in 1935 and 1937 were not recognized by ABC. Since 1939, all state tournaments have been ABC sanctioned.

There were two booster teams, one booster doubles and singles, and two boosters all events divisions, plus the open divisions in the 1940 tournament. In 1941, another booster doubles and singles and another booster all events division were added. Then in 1942, the tournament was again changed so that there were three divisions - one open and two boosters - in each event. No tournaments were held in 1943 and 1944 due to World War II.

While earlier booster divisions were apparently scratch, those have, since 1945, have been handicapped. From 1945 through 1962, there was only one booster division. In 1959, the handicap was based on 66-2/3% of the difference between average and 169 for singles, 338 for doubles, and 845 for team. Three divisions, all handicapped, were used in the 1963 tournament. From 1964 to

## HISTORY OF THE MONTANA STATE TOURNAMENT (CONT)

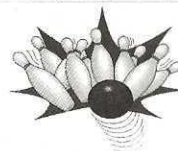

1974, the top division was again open. In 1973 the third booster division at 145 and under was added. This was raised to 150 and under in 1974. The present tournament format was adopted in 1996. The format went from 80% of 210 to 80% of 225. "A" Division is for 185 and above averages, "B" Division for 171-184 average ages, "C" Division for 156-170 averages and "D" Division for 155 and below averages.

In 1988, the first Hall of Fame Banquet was organized by Bill Meagor and held in Butte on Friday night before the opening weekend. At this banquet, five new members were inducted into the Montana State Hall of Fame. The banquet has continued to be a highlight of the State Tournament.

In 1985, Ed Strommen, Anaconda, made a thorough update of previous programs and made over 100 additions and/or corrections which are reflected in this program.

NOTE: Most of this data was gleaned from the records of Rudy Swanson of Anaconda. Much additional data was supplied from the files of Herb Carlson and Melvin Ulstad, Anaconda. If any person reviewing this history and other records contained in this program has any of the missing data, he/she is asked to please pass such information on through his/her local delegate to the State Association, or mail to the State Secretary. Copies of programs, entry forms, prize lists, financial statements and newspaper clippings will help greatly to rebuild the State Associations records of past tournaments.
