It is with great pleasure and an honor to be able to welcome you to Helena for the 2011 Montana USBC Open Championships.

It has been quite some time since we have visited Helena for a State Championship of this magnitude and we are proud to be here once again. As you travel to Helena and get ready for your competition remember that your host city is a community with a great bowling heritage and rich in history.

Thank you to Jacki Huff and her tournament staff along with the management and staff of Sleeping Giant Lanes for all of the hard work they have put in to make sure that this tournament runs smoothly and efficiently for everyone. I would like to thank you, the bowlers for your continued support of this tournament in its inaugural year of the new format.

You have travelled here in hopes of bowling great scores and having a great time. I know you will not be disappointed with the effort put forth by the Helena USBC and the merchants of Helena to ensure that this is a great experience for you.

I wish you the best of luck in your bowling endeavors and may the Bowling Gods look upon you in Helena with ideal thoughts.

Good Luck and Good Bowling

Thank You

Michael Evjen

(Applicable to ALL MUSBC sponsored adult tournaments)

1. **Tournament Eligibility (USBC Rule 300c)** – All entrants must be members of USBC residing or bowling in the area of a local association certified within the Montana USBC Association.
2. **Team Captains (USBC Rule 304)** – Team captains are to have their team members present no later than thirty (30) minutes prior to the scheduled squad time. Proof of current USBC membership must be provided if requested.
3. **Prize Fund Distribution (USBC Rule 309)** – All prize funds will be distributed within 30 days of the close of the tournament. A prize list will be transmitted (via e-mail or regular mail) to each bowling center and local association manager. Preliminary and final results will be posted on [bowlmontana.com](http://bowlmontana.com).
4. **Entries Close (USBC Rule 310)** – Entries in all MUSBC sponsored tournament will close after the start of competition, as specified in the particular tournament rules, but in no case close later than forty-five (45) minutes prior to the start of the last scheduled squad. Entrants in a particular tournament who have not exceeded their multiple participation limits prior to the tournament's specified entry closing will be allowed to enter those events (where their limits have not been exceeded) by submitting an entry form and associated entry fees to the tournament director. Squad time scheduling after the tournament's entry closing will be on an "as available" basis.
5. **Submitting Entries (USBC Rule 311)** – Entries will be scheduled according to requests in the order received, if possible. The tournament schedule will not be changed by the tournament director except for emergencies. Confirmation of squad times and dates will be made via e-mail, if available or by regular mail to the team captain designated on the entry form.
6. **Entry Refunds (USBC Rule 314)** – Entry fees will not be refunded except when an alternate time, other than requested, has been assigned and the entering team has been notified of the new time. The entering team has ten (10) days from the date stamped/transmitted on the confirmation letter to refuse the alternate time.
7. **Entering Average (USBC Rule 319a)** – Bowlers will use their highest certified regular or summer league final average (21 or more games) for the previous season as their entering average. USBC Rules 319a2, 319a3, 319a4, 319a5, 319c, 319d, and 319e are in effect.
8. **Assigned Averages (USBC Rule 319b)** – A participant without an entering average will be assigned an average appropriate to the handicap being used in the tournament.
9. **Tardy Players (USBC Rule 322a)** – Bowlers arriving after competition has officially begun, will not be allowed to make-up frames missed and will receive a score of zero (0) for each frame missed.
10. **Lineup Changes (USBC Rule 324a)** – Substitutes are allowed. Substitutions must be made to the tournament director as early as possible, but in any case, no later than 45 minutes prior to the start of assigned squad time. Average verification must accompany substitutions. Substitutes will NOT be furnished by the hosting association, except in the case of an emergency. In emergency situations, the substituting bowler must take the lineup place of the original bowler and will not be required to reimburse the original bowler's entry fee unless that substitute's team places on the prize list; then the original bowler's entry fee will be deducted from the substitute's prize money and refunded to the original bowler by the team captain.
11. **Scoring Errors (USBC Rule 327b)** – Errors in scoring must be reported to the tournament director within 48 hours of the completion of the squad bowled.
12. **Protests and Appeals (USBC Rule 329)** – The Montana USBC Board of Directors and the Tournament Director shall have the power to hear and act on all protests and appeals arising from or under construction of the rules for Montana USBC sponsored tournament.
