A black and white photograph of a group of about ten students standing on a rocky hillside. They are dressed in casual, outdoor-style clothing. A diagonal banner at the top left of the image reads "BE IN DEMAND". At the bottom of the image, the text "MontanaTech" is written in a large, bold font, with "THE UNIVERSITY OF MONTANA" in smaller text underneath. To the right of this, the phone number "1-800-445-TECH" and the website "WWW.MTECH.EDU" are listed. A vertical credit line on the far right edge reads "LISA WAREHAM PHOTOGRAPHY".

Montana Tech is located atop Tech hill in beautiful, historic uptown Butte. Montana Tech is a challenging institution for hands-on, success-oriented students. Tech's North Campus offers four year and graduate degrees in the areas of science, engineering, technology, and math. Highlands College offers associate degrees, certificate programs, continuing education, and customized training. Over **\$1 million** in new student scholarships are awarded each year. Tech has had a ten-year annual average placement rate of **96%** or above with exceptional starting salaries. Campus life is full of activities and life here is laid back and personal where you will be on a first-name basis with your professors.

WELCOME TO BUTTE...

2013 Montana USBC Open Championship

On behalf of the Butte Silver Bow Chamber of Commerce, Visitor and Transportation Center, I would like to take this opportunity to welcome you to Butte for the 2013 Montana USBC Championship being hosted in our community for nine weekends beginning March 16, 2013 – May 20, 2013. Butte's history is one of uniqueness and resiliency. This is a community where you will only see its beauty when you get to know and understand its people. Visiting Butte is truly discovering Montana's real treasure.

I hope that your visit to our community is enjoyable and memorable. If you are looking for something to do when you are not participating in your bowling event, I would invite you to dine in our fine restaurants and shop in our retail stores that offer a wide variety of choices. I would encourage you to visit the numerous attractions that are in Historic Uptown Butte including Old Butte Historical Tours, Butte Urban Safari Tours or just walking around the Uptown area looking at the beautiful architecture of one of the nation's largest historical districts. We are also enthused about the many art galleries that occupy a vast amount of space in the Uptown area.

Venturing a little outside of Uptown Butte, you may want to take in two free attractions that are of great interest: to the north, the Granite Mountain Mine Memorial and to the west, the Mineral Museum on Montana Tech Campus. These are both free attractions and worth your time to visit.

Again, thank you for visiting Butte and if you need any assistance or information during your stay, please feel free to stop by the Chamber of Commerce at 1000 George St or call us at 723-3177.

Sincerely,

Marko Lucich
Executive Director
Butte Chamber of Commerce

Ladies and gentlemen, on behalf of the Butte USBC Bowling Association, I would like to welcome you to the mining city for the 2013 Montana USBC Open Championships. Butte has a long history of supporting and promoting our sport. We are proud to carry this tradition forward through this tournament. Our Association and the staff and management at Star Lanes will work hard to do everything we can to make your stay in our city a great experience. I would like to ask you to give special consideration to those businesses that were kind enough to support our tournament by buying an advertisement in our tournament souvenir book. Without their support events like this would not be possible.

Bowl good and a heartfelt --- "Thanks for playing!!!"

It is with great pleasure that the Montana USBC welcomes you to the Mining City for the Montana USBC Open Championship Tournament. Butte is home to the Richest Hill On Earth and also home to Star Lanes, the host for the 2013 Montana USBC Open Championships.

The Butte USBC along with the community and Star Lanes have dedicated much time and effort to make sure that your time in Butte is a time that you will not soon forget. A special thank you to Dave Martinich and his staff as they have spent countless hours preparing for this year's tournament.
